

From Seward to Kenai River Drifters' Lodge:

- Take the Seward Hwy out of town (it's the only road out) and drive about 31 miles.
- Take a left off the Seward Hwy onto the Sterling Hwy toward Kenai/Homer.
- You are 11 miles away from Drifters Lodge it is still 55 mph.
- Keep going for about 8.5 miles and the speed limit will drop to 45 mph you are 3 miles away.
- On your left you will pass Sunrise Inn and café, and you will see Kenai Lake...keep going...
- Speed limit goes to 35 mph you are less than 1 mile away. Wildman's Liquor and Laundry is on your right.
- The highway crosses the Kenai River, and we are a quarter mile farther down the road on the right (river side of the road). We have a two-story wooden sign out by the road saying Drifter's Lodge in yellow letters.
- If you see Grizzly Ridge gas station, you are 300 feet past us.
